## EDUCATION

09/2013 – 09/2018	<b>Wright Institute, Berkeley CA (APA-Accredited)</b> Doctor of Psychology, Clinical Psychology Emphasis on neuropsychology, multiculturalism, and psychodynamic approaches Dissertation: Active imagination in analytical psychology and “passive imagination” in Buddhist meditation: How do they compare, why are they different, and where might they combine?
09/2011 – 06/2013	<b>Sofia University, Palo Alto, CA</b> Master of Arts, Counseling Psychology Focus on family and group therapy, multiculturalism, and transpersonal psychology
09/2000 – 06/2004	<b>National Taiwan University, Taiwan</b> Master of Science, Clinical Psychology Thesis: The role of anxiety sensitivity and catastrophic misinterpretation for innocuous events on the psychopathology of panic attacks: Example of exercise
10/1993 – 06/1999	<b>National Taiwan University</b> Bachelor of Arts, Double Major in Economics and Sociology

---

## LICENSURE

10/2023 – Present	<b>Psychologist, State of Washington</b>
09/2023 – Present	<b>Authority to Practice Interjurisdictional Telepsychology Authorization (PSYPACT Number: 16093)</b>
09/2004 – Present	<b>Licensed in Clinical Psychology (Master-level), Taiwan (#H121843129)</b>

---

## CERTIFICATE

09/2024 – Present	<b>Licensed Hakomi Therapist, Hakomi Institute of California</b>
09/2022 – Present	<b>Licensed Jungian Psychoanalyst, IAAP</b>
07/2012 – Present	<b>Licensed MBTI Practitioner by American Management Association</b>

---

**MULTILINGUAL CLINICAL WORK**

---

Mandarin, Taiwanese & English      Native proficiency in conducting neuropsychological assessment, psychotherapy, and neurorehabilitation

---

**WORK EXPERIENCE**

---

11/2024 – Present	<b>Cogstate Inc., New Haven, CT</b> Asia-Pacific (APAC) Scientist Provide consultation on linguistic and cultural adaptations of clinical trial measures. Conduct expert reviews of Chinese translations of neuropsychological and clinical assessments, ensuring alignment with scientific and cultural standards. Train and oversee central raters on test administration protocols, ensuring consistency in clinical trial data collection. Implement recalibration processes for clinicians, maintaining adherence to study-specific guidelines and enhancing inter-rater reliability.
10/2023 – 11/2024	<b>Cogstate Inc., New Haven, CT</b> Neuropsychology Consultant Provided consultation on neurocognitive assessment tools in clinical trials for pharmaceutical companies (e.g., ADAS-COG, ADCS-ADL, CDR, MMSE), managing endpoint data quality, and recalibrating the Local Expert Advisors (LEADS) and clinical raters.
08/2011 – Present	<b>Private Practice (Dr. Wen-Yu Cheng, PLLC)</b> Licensed Psychologist, Taiwan & USA (WA & PSYPACT) Online psychotherapy & consultation
11/2021 – 06/2023	<b>Center for Transitional Neuro-Rehabilitation (CTN), Barrow Neurological Institute, AZ</b> Faculty Neuropsychologist Conducted neuropsychological evaluations, individual, couple, family, and group psychotherapy, as well as cognitive retraining (remediation) for patients with acquired brain injuries, including TBI. Collaborated closely with a multidisciplinary team, including physiatrists, psychiatrists, physical therapists, occupational therapists, speech therapists, social workers, dietitians, and recreational therapists. Provided liaison and consultation services to other providers at Barrow. Additionally, offered training and supervision to neuropsychology post-doctoral fellows and a psychometrist.

- 02/2012 – 12/2013      **Taiwan Government, Bureau of Health Promotion, Taiwan**  
 Appointed Psychologist (Mater-level), Taiwan  
 Online psychotherapy and consultation services for adolescents and adults
- 04/2008 – 07/2011      **Taiwan Institute of Psychotherapy, Taiwan**  
 Director of R&D and Licensed Psychologist (Mater-level), Taiwan  
 Program development for the internship training program, psychological assessment services, biofeedback therapy, telepsychology services, and employee assistance programs.  
  
 Co-developed an interactive and individualized online, gamed based protocol for treating patients with insomnia rooted in evidence-based treatment.
- 09/2010 – 07/2011      **Rehabilitation Center for Individuals with Spinal Cord Injury, Taiwan**  
 Licensed Psychologist (Mater-level), Taiwan  
 Provided rehabilitation services and program development for faculty with spinal cord injury: Interdisciplinary collaboration with a psychiatrist and staff leaders to evaluate their current training program and implement psychological interventions or resources.  
  
 Project involved 3-step interventions including identification of high-risk population, early intervention/ psychoeducation, and subsequent treatment using online interference. Co-led a self-growth group for staff members who are also patients with spinal cord injury.
- 10/2008 – 06/2011      **Taipei Mental Rehabilitation Association, Taiwan**  
 Licensed Psychologist (Mater-level), Taiwan  
 Provided individual and group psychotherapy for patients with chronic severe mental illness, and caregiver education
- 10/2008 – 07/2011      **Taipei City Center for Prevention of Domestic Violence and Sexual Assault, Taiwan**  
 Licensed Psychologist (Mater-level), Taiwan  
 Psychotherapy for victims of domestic violence and sexual assaults; provided expert witness for an adolescent patient who was sexually molested; completed a two-year training program for trauma work, including group and individual consultation.
- 04/2010 – 06/2011      **Holy Word Children's Home, Taiwan**  
 Licensed Psychologist (Mater-level), Taiwan

Individual psychotherapy for children and adolescents with traumas and behavioral problems

- 09/2004 – 06/2007     **Department of Psychiatry, Tri-Service General Hospital, Taiwan**  
 Licensed Psychologist (Mater-level), Taiwan  
 Inpatient and outpatients psychodiagnostic assessment and therapy, liaison & consultation
- 09/2006 – 05/2007     **Student Counseling Center in National Taiwan University (09/06-05/07) & Neihu High School, Taiwan (09/06-05/07)**  
 Licensed Psychologist (Mater-level), Taiwan  
 Individual and group psychotherapy for high school and college students
- 09/2004 – 06/2007     **Department of Psychiatry, Tri-Service General Hospital, Taiwan**  
 Licensed Psychologist (Mater-level), Taiwan  
 Provided Mandarin psychological and neuropsychological assessment, including forensic evaluation and capacity evaluation of military servicemen.
- Provided Individual and group psychotherapy for adult patients with complex, comorbid psychiatric issues. Treatment modalities include cognitive behavioral therapy, mindfulness based therapy, and psychodrama therapy.

## CLINICAL TRAINING

- 10/2018 – 08/2021     **Barrow Neurological Institute, Phoenix, AZ (APPCN-accredited)**  
 Neuropsychology / Neurorehabilitation Postdoctoral Resident  
 Training Director: Krista, Hanson, Ph.D., ABPP-CN; Gregory Lee, Ph.D., ABPP-CN (first and second year)
- First-year and second-year rotation: Holistic, Milieu-based Neuro-Rehabilitation at the Center for Transitional Neuro-Rehabilitation, providing neuropsychological assessment, individual and family psychotherapy, cognitive retraining, and interdisciplinary collaboration.
- Supervisors: Pamela Klonoff, Ph.D., ABPP-CN, Heather Caples, Ph.D., Jessica Matthes, Ph.D., ABN, Susan Rumble, Ph.D., Kavitha Perumparaichallai, Ph. D., and Erin Piper, Psy.D.
- Third-year rotation: Inpatient Neuro-Rehabilitation Unit (NRU); Outpatient Bridge Program; and Outpatient Neuropsychology Services, including differential diagnosis for MCI, AD, and different types of dementia

---

Supervisors: George Prigatano, Ph. D., ABPP-CN, Tiffany Meites, Ph.D., ABPP-RP, Elsa Baena, Ph.D., and Jessica Schneider, Psy.D.

09/2017 – 08/2018      **Mount Sinai Medical Center, Department of Rehabilitation Medicine, New York, NY (APA-accredited)**

Neuropsychology and Rehabilitation Pre-doctoral Intern

Training Director: Sabrina Breed, Ph.D.

Rotations: Inpatient Brain Injury Rehabilitation, Inpatient Functional Rehabilitation (spinal cord injury, amputation, MS, and medically complex issues), and Outpatient Neuropsychology and Rehabilitation Services

Training: Worked with individuals with diverse neurological and rehabilitation diagnoses; provided bilingual neuropsychological assessment, individual psychotherapy, group psychotherapy, and cognitive remediation.

Training Director: Sabrina Breed, Ph.D.

Supervisors: Sabrina Breed, Ph.D., Director, Angeles Cheung, Ph. D., ABPP-CN, Angela Riccobono, Ph.D., Svetlana Serova, Ph.D., ABPP-RP, Christina Parfene, Ph.D., and Rob Stewart, Ph.D.

07/2015 – 05/2017      **San Francisco Neuropsychology PC, San Francisco, CA**

Neuropsychology Extern

Training: Bilingual neuropsychological assessment and inpatient neurocognitive assessment for geriatrics (e.g., Jewish Home of San Francisco and Skilled Nursing Facilities)

Program development: Established assessment tools and procedure for Chinese neuropsychological assessment, including selecting appropriate tests and norms, and translating test materials.

Supervisors: Shelley Peery, Ph.D., Joaquin Burciaga, Ph.D., Karen Lau, Ph.D., ABPP-CN, and Rex Bierley, Ph.D.

09/2011 – 08/2016      **C. G. Jung Institute of San Francisco, San Francisco, CA**

International Scholar (2011-2013) and Fellow (2013-2016)

Training: Jungian and psychoanalytically-oriented psychotherapies with practice in James Whitney Goodrich Outpatient Clinic: Provided long-term bilingual psychotherapy for adolescents, adults, and older adults, applying Jungian, psychoanalytic, Sandplay, and other modalities.

Supervisors: Jeffrey Swanger, Ph.D. & Jungian Analyst; Richard Willets, Ph.D. & Jungian Analyst; and Gale Lipsyte, Ph.D & Jungian Analyst.

- 09/2014 – 08/2015      **San Francisco Child Abuse Prevention Center, San Francisco, CA**  
 Clinical Psychology Extern  
 Psychotherapy for Children and Family, Family Risk and Resilience Assessment, and Crisis Intervention (i.e., Talkline)  
 Supervisors: Maria Sobol, Ph.D.; Malcolm Gaines, Psy.D.; Joyce Sabel, MFT
- 07/2003 – 06/2004      **Department of Psychiatry, National Taiwan University Hospital, Taiwan**  
 Clinical Psychology Intern  
 Psychodiagnostic Assessment, Individual and Group Psychotherapy in Acute and Outpatient Settings  
 Supervisors: Sue-Hwang Chang, Ph.D.; Shiew-Jyr Wang, M.S.

---

#### SPECIALIZED TRAINING

---

- 03/2024 – Present      **Mindfulness-Centered Somatic Therapy, Hakomi Institute of China, China**  
 Hakomi Teacher in Training
- 05/2015 – 08/2022      **Jungian Analytical Psychology, International Association for Analytical Psychology (IAAP)**  
 Individual Router  
 Formal Jungian psychoanalytic training in anticipation of being licensed at the next IAAP congress in 2022  
 Current consultants: Craig Stevenson, Ph.D., Licensed Psychoanalyst & Jungian Analyst and Lee Chie, M.A., MFT & Jungian Psychoanalyst
- 10/2015 – 08/2024      **Mindfulness-Centered Somatic Therapy, Hakomi, San Francisco, CA**  
 Hakomi Trainee  
 Incorporating the Hakomi Method into psychotherapy and neurorehabilitation.
- 05/2007 – 01/2008      **Guo-Keng Insight Meditation (Vipassana) Center, Taiwan**  
 Mindfulness Meditation Trainee  
 Mindfulness Training using Mahasi Sayadaw's Approach  
 Mentor: Master Tsung-Shan, Buddhist Monk

---

#### TEACHING & SUPERVISION

---

02/2025	Postdoctoral Professional Development Seminar
12/2021 – 07/2023	Mentoring Program, Asian Neuropsychological Association (ANA)
04/2019 – 08/2019	Ethnic & Minority Affairs (EMS) Mentoring Program, Public Interest Advisory Committee (PIAC), Division 40, American Psychological Association
